我哥哥之前有英文方面的問題。他的英文不好，但是他不想放棄。從去年開始，課堂上，他寫筆記；在家，他會複習功課。他堅持每天背一些新的單字。他的同學邀請他加入讀書會。他們互相幫助，而且一起準備考試。現在他們常常看英文節目和聽英文歌。他的英文比之前好多了，而且他還能教我英文。

My brother had a problem with English before. His English was not good, but he didn't want to give up. He has taken notes in class and reviewed them at home since last year. He keeps up memorizing some new words every day. His classmate invited him to join a study group. They help each other and prepare for the tests together. Now they often watch English programs and listen to English songs. His English is much better than before, and he can also teach me English.
