每年一到夏天，天氣就非常炎熱。今天下午帶著 Money 出門散步，經過公園，公園旁邊有個小池子，Money 因為渴了，就喝了幾口池子的水。看著牠喝水，我也覺得口渴。我左看右看，突然看到公園前面有賣冰淇淋的攤販，我高興地拉著 Money 跑了過去。摸了摸自己的口袋，口袋裡空空的什麼也沒有。看來是吃不到冰淇淋了，還是早點回家吧。

### 1120710 高中職生中翻英短文翻譯參考答案

Every year when summer comes, it will be very hot. This afternoon, I took Money out for a walk and we walk through the park. There was a small pool next to the park. Money drank a few sips of water the pool because it was thirsty. I also felt thirsty when watching it drinking water. I looked left and right and suddenly saw a street vendor selling ice cream in front of the park. I happily pulled Money and ran over. I groped about my pocket, and there was nothing in it. It seems that I can't eat ice cream. I had better go home early.
