期待已久的暑假終於來了。離開了那悶熱的教室，學生們一個個都相當興奮。我和幾個好朋友們約定好，明天要去家裡附近的溪邊玩。晚上吃晚餐時，跟媽媽說了明天的計畫，媽媽說最近意外事件頻傳，叮囑我要小心。知道媽媽叨唸是出自於關心，我要她不要擔心，我會小心安全的。

### 1120807 高中職生中翻英短文翻譯參考答案

The long-awaited summer vacation finally comes. Every student is quite excited after leaving the burning hot classroom. I have an appointment with a few friends to go to the stream near my house to have fun tomorrow. When eating dinner in the evening, I told my mother about tomorrow's plan. My mother said that there have been frequent accidents recently and told me to be careful. I know that because my mother concerns about me, she chatters. So I want her not to worry about me and I will be careful and safe.
