上週五，我和家人一起去台北動物園。爸爸特地請一天假，他說平日人比較不會那麼多，可以悠哉地逛。動物園裡有很多動物，企鵝、長頸鹿、老虎、大象，第一次看到這麼多動物，真的好有趣。我們還看到熊貓。熊貓吃著竹子的模樣真是可愛極了。一整天走動，我們都累了，有機會下次一定要再來。

Last Friday, my family and I went to the Taipei Zoo together. My dad took a day off especially. He said that we could take a stroll leisurely because there are not so many people on weekdays. There are many animals in the zoo, such as penguins, giraffes, tigers, and elephants. It was really interesting for me to see so many animals the first time. We also saw pandas. The look of the pandas that were eating bamboo was very cute. We were all tired after walking around the whole day, and we will certainly come again if we have the opportunity.
