剛剛經過寵物店的時候，我看了一眼櫥窗內的小狗和小貓，牠們在籠子裡睡覺，好可愛啊。我很想養隻狗或是貓，但媽媽不同意。她總是說，我不會花心思照顧牠們，不讓我養。我央求媽媽，讓我養貓，照顧貓比照顧狗容易。媽媽說，養了就要照顧牠，不能隨意遺棄牠，做得到才能讓我養。

When passing by the pet shop, I glanced at the puppies and kittens from the shop window. They were sleeping in cages. So cute. I really want to have a dog or cat, but my mother disagrees with that. She always says that I would not take time to take care of them, so she does not allow me to have one. I beg my mother to let me keep a cat. Taking care of cats is easier than taking care of dogs. My mother say that I should take care of it when I keep it, and I can't abandon it at will. If I can do it well, then I can keep one.
