我第一次的打工是在一家麵包店。我當時沒有經驗，甚至還把麵包盤打翻。老闆人很好，她沒有怪罪我，只要我收拾乾淨。後來結帳時不小心找錯了錢，客人很生氣地要我再仔細些。那天回家，我哭了，覺得自己很笨拙，連這種小事都做不好。媽媽安慰我，我一定會加油的。

打翻 overturn 結帳 checkout 不小心 accidentally

找錢 give change 笨拙的 clumsy 安慰 comfort

My first part-time job was in a bakery. I had no experience at the time, and I even overturned the bread tray. The owner was very nice. She didn't blame me; she only asked me to clean it up. Later, I accidentally gave the wrong change when I was at the checkout. The customer was very angry and asked me to be careful. I cried after going back home that day. I felt that I was clumsy and couldn't even do such a slight matter. My mom comforted me. I would cheer up.
