### 1121009 高中職生中翻英短文翻譯參考答案

It is still hot at noon in September. Allen opened the refrigerator and there was nothing in it. He was so hungry, but it was so hot that he didn't want to go out to buy food. At this time, he remembered that he still had instant noodles. Instant noodles are really his good friend. No matter it is a typhoon day, rainy day or burning hot day, they can help him settle his empty stomach. He decided to go out and buy more instant noodles.
