### 1121030 高中職生中翻英短文翻譯參考答案

Anna saw a kitten on the road. It looked like that it was abandoned by its mother. She felt sad and held the kitten in her arms. The kitten had not opened its eyes, and it seemed to be scared and trembled slightly. She wrapped the kitten with her scarf and bought milk and a feeding bottle from the store to feed the kitten. It seemed to be really hungry and sucked a big mouthful of milk. Anna decided to take the kitten home.
