我們成天在喝進口的咖啡，吃外國來的巧克力，為什麼我們不設法將我們的食品推銷到全世界去？

有一次，我在德國遇到了一位烘焙師，他除了精通烘焙以外，還有相當不錯的管理學知識。他說他在考烘焙師執照，他必須要知道基本的會計，也必須知道如何包裝和行銷。

我有一個夢想，有一天我會在倫敦的一家五星級旅館裡，發現早餐的盤子裡放的就是來自峨嵋鄉(E-Mei country)的洛神花果醬；而中午吃沙拉的時候，他們只供應一種醬，那就是來自南投縣(Nantou County)的梅子醬。他們的口號：「我們只供應全世界最好的食物。」

We drink imported coffee and eat foreign chocolate every day. Why don't we try to sell our food to the world?

One time, I met a baker in Germany; he is not only good at baking but has quite good management knowledge. He said that he was getting the baking license; he had to know the basic accounting and how to package and market.

I have a dream. Someday I will find the roselle jam which is from E-Mei country on the breakfast plate in the five-star hotel in London. When I eat salad at noon, they only supply one kind of sauce, which is plum jam from Nantou County. Their slogan is "We only supply the best food in the world."
