### 1130701 高中職生中翻英短文翻譯題目

一隻孟加拉白虎在尼加拉瓜的動物園誕生了，這是第一隻在中美洲出生的孟加拉小白虎。小白虎的媽媽是一隻黃棕色的孟加拉虎，五年前從馬戲團裡被救出，牠沒有奶可以餵這隻小幼虎。動物園園長說他們每隔三個小時就用溫的山羊奶餵食小幼虎。

孟加拉白虎      white Bengal tiger      幼崽      cub

尼加拉瓜      Nicaragua      園長      director

### 1130701 高中職生中翻英短文翻譯參考答案

A white Bengal tiger has been born at a zoo in Nicaragua. This is the first white Bengal tiger to be born in the Central American nation. The cub's mother is a yellow-and-black Bengal tiger who was rescued from a circus five years ago. She could not produce milk to feed this cub. The director of the zoo said that they've fed the cub warm goat's milk every three hours.
