A career in health care has many benefits. One benefit is the feeling of helping others. All of the people who were interviewed agreed that this was an important part of their decision to enter this field. There are also other benefits. Most people said they enjoyed working where they did even though the work might be hard. They also said they felt secure that their jobs would be around for years to come.

The biggest problem people mentioned was job pressure. Workers in the health care field have to respond to emergencies almost every day. In addition, they spend a lot of time taking care of those who are seriously ill or injured.
