### 1060414 高級短文翻譯 **A beautiful town**

Heartland is a beautiful town in which cars and motorcycles are not allowed. The town 1. famous for its blue sky and fresh air. The weather there is nice and warm all the year, so trees and flowers grow well in all seasons. I went to Heartland last month and stayed there for five days. Every morning I woke 2. to the songs of birds. Then I would take a walk or ride a bicycle along the country roads. Orchards(果園) and gardens were everywhere(到處). Flower shops and coffee houses were also on the way. Every night from my window I could see bright stars in the sky, and I would go to sleep with the smell of grass. The five-day holiday in Heartland gave me a lot of surprises. I hope I can go there again some day and spend more time there.
