昨天，爸爸媽媽帶我和弟弟去奶奶家，還帶著我養的小青蛙。中午吃完了午飯，弟弟突然生病了。他看起來相當不舒服的樣子，我就拿青蛙逗他玩。後來弟弟睡着了，我只好自己跟青蛙玩。小青蛙調皮，蹦蹦跳不知道跳到哪裡去了，我遍尋不著，正懊惱著，卻突然聽到奶奶大叫：「這濕漉漉的東西是什麼啊？真是嚇死我了。」我趕緊跑過去，將牠帶回籠子，幸好牠沒事。

My parents took my brother and me to my grandmother's home, and my little frog also came with us. After lunch, my brother suddenly fell ill. He looked quite uncomfortable, so I took my frog to play with him. Later, my brother fell asleep, and I had to play with the frog myself. The little frog was naughty, and I didn't know where it jumped. I couldn't find it. I was annoyed. Suddenly I heard my grandmother yelling, "What is this damp thing? It's really scaring me." I ran quickly to her and brought the frog back to the cage. Fortunately, it was fine.
