我媽媽就埋葬在附近，所以我可以常常去掃墓。在那裡時，我有時會在附近晃晃，我發現公墓的邊緣有一片草地，而草地上有一棵大樹，每年春天，這棵大樹會開出白色的花，花瓣落在草地，非常美麗。一開始，我以為這裡僅僅是草地，可是我後來發現有人常在草地上撒一些花，我開始懷疑草地下也許埋葬著某個人。

My mother was buried near here, so I could often go and tidy up her grave. While I was there, sometimes I would walk around. I found that there was a grass field at the edge of the public grave and there was a big tree on the grass field. Each spring, the big tree would bloom white flowers and the petals would fall on the grass field. It's very beautiful. At the beginning, I thought it was merely a grass field. Then I found that someone scattered some flowers on it. I started to doubt there might be someone buried under it.
