The seaside in Pingtung is a good place for recreation and swimming. You can go scuba diving there, enjoy beautiful scenery, and pick up shells on the beach. You also can go to the most Southern part of Taiwan, Eluanbi, to experience the feeling of being embraced by the left for the Pacific Ocean and the right for the Taiwan Strait. What's even more, there are sweet and juicy wax apples as well as many other famous products in Pingtung. All of them are worth tasting.
