Do you like to eat different kinds of food? If you do, just try Mexican food which is sour, spicy, and sweet! Let's learn about some different dishes.

One of the most famous Mexican foods is tacos. Tacos are meat, vegetables and cheese folded around in a soft or crisp tortilla. A tortilla is a thin, round bread made from maize or wheat flour. Another popular dish is a quesadilla. It is cheese cooked in a tortilla. You can also have vegetables and meat in a quesadilla.
