英文有句諺語說：時間就是金錢。我不認為這句話完全正確。我們大家都知道我們能夠藉由工作賺錢，但無論如何卻無法把時間爭取回來。基於此種理由，我們可以說時間比錢更寶貴。很可惜許多人不知愛惜時光。我們必須記住浪費時間等於浪費生命。因此，我們必須更加愛惜時光。

An English proverb says that time is money. I don't think it is completely correct. We all know that we can earn money by working, but in any case, we can't get the time back. For this reason, we can say that time is more valuable than money. It is indeed a pity that many people do not know to treasure the time. We have to keep in mind that wasting time is equal to wasting our life. Therefore, we must treasure the time more.
