Heartland is a beautiful town in which vehicles are not allowed. The weather there is warm all the year, so trees and flowers grow well in all seasons. I went to Heartland last month and stayed there for five days. Every morning I woke up to the songs of birds. Then I would take a walk along the country roads. Orchards and gardens were everywhere. Flower shops and coffee houses were also on the way. Every night I went to sleep with the smell of grass. The five-day holiday in Heartland gave me a lot of surprises.
