這些照片的出現當然是因為駭客入侵，但是我感到無所謂，因為這些照片對我有好處，一方面每次看到溫馨的照片，心情當然會好；看到世界上悲慘的一面，又會使我覺得自己應該盡量幫助那些不幸的人，所以我是很感謝這種駭客入侵的。

These pictures were sent by hackers, but I did not feel uncomfortable of this because the pictures were beneficial to me. Whenever I saw those warm pictures, naturally, I would feel good. On the other hand, whenever I saw the pictures showing the misery of the world, they would force me to think how to help those unfortunate people. Therefore, I am actually quite grateful to the hackers.
