秋天來了，普林斯頓校園內的樹葉，一夜之間變成了金黃色的，我更喜歡在校園裡散步了，因為新英格蘭的秋天景色，美得令人陶醉。可是令我不解的是，這位男孩仍在校園裡閒逛，唯一的改變是他穿了一件夾克，而不是只有一件 T 恤。我在想，所有的中學都已經開學了，難道他不需要上學嗎？如果不上學的話，他何不去打工呢？

令人陶醉地 intoxicatingly

The autumn was coming. The leaves on the Princeton campus turned gold overnight. I enjoyed taking a walk through the campus even more for the autumn in New England is intoxicatingly beautiful. But I didn't understand why this boy still wandered around the campus. The only difference was that he wore a jacket, but not only a T-shirt. I was thinking, classes had started at all the middle schools. Didn't he need to go to school? If he didn't need to go to school, why didn't he get a part-time job?
