Dear participants,

Welcome to the Eighth Spatial Computing Conference (SCC). Once you have finished registering and received your name badge and program, please head downstairs to the Gloria Room for coffee, tea, and a light breakfast. Today's schedule is as follows:

9:30 a.m. – Welcome Reception, Gloria Room. Meet other participants and discuss ideas about computing trends, industry innovations, and your hopes for the conference. Please sit at the table with the number indicated on your name badge. We will seat guests from different specializations together to offer participants a chance to interact with people working in a variety of fields.
