## 1100712 高中職生 中翻英短文翻譯 參考答案

Do you think the life in senior high school is different from that in junior high school? I believe that many of you would answer “Yes!” Being able to join clubs is an example. There are all kinds of clubs for you and your interests decide everything. All you need to do is to step in and enjoy your club life. Are you interested in playing the guitar? Then you can join the guitar club because there are many people having the same interests as yours. Some clubs are for sports lovers. Others are for music lovers. There are even clubs for comic books. How about you? Which club have you chosen? What have you learned from the club?
