It is common to see people drink coffee nowadays. It is also convenient to buy a cup of coffee at convenience stores. But only few people know where it came from. There are many legends about how people found coffee beans and knew how to drink coffee. One of the stories said that a shepherd in Africa once noticed his sheep became energetic and didn't sleep at night. The shepherd observed his sheep and he found they ate the beans from a kind of bush. The shepherd felt curious and tried some of the beans. After that, he felt full of energetic as well.
