When you need to see a doctor, surely you would like to see a good one. But there is one important thing you may never have thought about. That is, has your doctor rested enough? Doctors in our country often have to work overtime without sleep. One report said that a doctor who works for too long cannot think more clearly than a drunk driver. Surely no one wants to get in a car that is driven by a drunk driver. So, how safe would you feel when you are under the care of a tired doctor?
