I've been a doctor for nearly thirty years. Judging by his look, I knew that the boy's chances of survival were very slim. In spite of that, I had him put in the ICU. He lay there quietly, an oxygen mask covering his face. I then knelt down and prayed to the God. "I'm very willing to die, but I hope You will preserve this little boy." I said to the God. "I'm 65 years old and I've lived a full and comfortable life. But this boy is only six years old! Please let him live!"
