那是四十年前的事了，我那時是高中生，有一天，我們全班騎著腳踏車旅遊，黃昏的時候，我們抵達了一間廟，我們在廟前坐著享受風景和聊天，那時我們都口渴了，在那個年代，高中生是買不起飲料的，但是廟方通常會提供茶水給旅客，所以我們就派了一位同學去要水喝。

It was forty years ago. At that time, I was a senior high school student. One day, the whole class rode bikes for travelling. When it's dusk, we arrived at a temple. We sat in front of the temple, enjoyed the scenery, and had a chat. We're all thirsty at that time. Senior high school students were too poor to buy drinks at that period. However, the temple would usually provide water and tea for the travelers. We then sent a classmate to ask for water.
