Do you plan to further your education? To me, I currently don't have any plan to further my education. However, in order to have a better grasp of knowledge, I pursue further education at nights or during weekends. For instance, I attended a short-term foreign language training program last year. I also read some international news to keep abreast of what is happening in the world. As the proverb says, live and learn.

你有計畫繼續進修嗎？對我而言，我最近沒有任何計畫繼續進修，但是為了更加掌握知識，我利用晚間或周末時間進修，例如去年我參加了短期外語訓練課程，我也看了一些國際新聞，以跟上世界發生的事，如同諺語所述，活到老，學到老。
