No long after my arrival, I noticed an elderly woman who seemed to be a permanent resident at the hotel. My coworkers and I were curious about this old lady. We knew how expensive it is to stay in a hotel for a long period, but she didn't seem like a rich woman. There was no sense of superiority about her. On the contrary, she showed deference to everyone. She would even thank the waiter each time when the waiter came to her table.

permanent 長久的

sense of superiority 優越感

deference 尊重、敬重
