When I told a British friend that I was going to the Isle of Skye in Scotland, he held his finger to his mouth and whispered, “Shh! Be sure not to let anyone else know you’re going to Skye. We must not let a crowd of tourists overrun the place. We especially mustn’t let those vulgar people know about the island.”

It seems like a crazy idea, going to Britain to see the moorland.

the Isle of Skye 蒼穹島

overrun 橫行肆虐、湧入

vulgar 庸俗的、沒有教養的
