**1100111 大專院校畢業生 中翻英短文翻譯 參考答案**

I told him that I admired him for donating all that he had. Suddenly he laughed and told me that he had kept one treasure for himself. He aroused my curiosity; I asked him what it was. He said that he wanted to keep me in suspense for a while. He wrote something on a piece of paper and gave the paper to me. But he told me not to read until the train left.
