That year, he sat in a coffee shop and waited for his friend(s). A girl came over and asked, “Are you the man introduced by Aunt Wang to the blind date?” He looked up at her; she was the type he liked, and he thought why not just make the mistake without correcting it. So he replied, “Yes, please have a seat.” On the day of their marriage, he confessed that he was not going to the blind date. The wife smiled and said, “I am not going to the blind date either, but just looking for an excuse to talk to you.”
