There are eighteen boys and twenty-two girls in my class. Of all the boys, Tom is the tallest. But he is not the heaviest. Tim is the heaviest in the class, and his school bag is also the heaviest because he always likes to bring many storybooks. As for the girls, Linda is the lightest. She is very thin and is only thirty-five kilograms. But she is lively and always wears a smile on her face. Everybody in the class likes her very much.

在我班上有 18 個男孩和 22 個女孩。在所有男孩中，Tom 是最高的。但是他不是最重的。Tim 是班上最重的，而且他的書包也是最重的，因為他總是喜歡帶很多故事書。至於女孩們，Linda 是最輕的。她很瘦，只有 35 公斤。但是她充滿活力，而且總是面帶笑容。班上每個人都非常喜歡她。
