Scrooge became as good a friend, as good a master, and as good a man as the good old City knew, or any other good old city, town, or borough in the good old world. Some people laughed to see the alteration in him, but he let them laugh, and little heeded them; for he was wise enough to know that nothing ever happened on this globe, for good. His own heart laughed, and that was quite enough for him.

borough 行政區
