我喜歡寫作。寫作能使我快樂，也能使我了解文學的藝術。我很會寫作文。現在就讓我來分享我是如何提升我的寫作技巧的。

當我有空時，我會拿起身旁的書靜靜地閱讀，慢慢地走入書中世界。當我發現美詞佳句時，便會把它多寫幾次，並且記在腦子裡。除了多看書以外，我還喜歡旅遊，因為旅遊可以增廣見聞，增加作文題材，讓我的文章更多采多姿。

I like writing. Writing makes me happy, and it makes me understand the art of literature. I am good at writing. Now let me share how I improve my writing skills with you.

When I have time, I will pick up the book next to me, read it quietly and slowly enter the world of the book. When I find beautiful words and sentences, I will write them down for a few more times and keep them in my mind. Except for reading more books, I also like to travel because tourism can broaden my knowledge, increase the subject matter of my composition, and make my articles be full of content.
