大海像一位慈祥的天使。它陪小孩戲水玩耍。它讓小孩跑跑跳跳，玩得好高興！大海的浪花像雪白的雲彩和好吃的棉花糖。有一次，我去海邊玩，我發現珊瑚、石頭、貝殼和化石。我還看到恐龍的化石，感覺真的好棒喔！大海帶給我們歡笑，讓我們忘了煩惱。夕陽西下時，大海遠遠望去像一幅五彩繽紛的風景畫。真是令人陶醉！我好喜歡大海，希望以後能常常到海邊玩。

The sea is like a kindly angel. It accompanies the children to play the water. It lets the children run, jump, and have fun. The waves of the sea are like snowy clouds and delicious cotton candy. Once, I went to play at the beach, and I found the corals, stones, shells, and fossils. I also saw the dinosaur fossils. It was so good! The sea brings us joy and lets us forget our worries. When the sun sets, the sea looks like a colorful landscape painting from a long distance. It is really intoxicating! I like the sea very much, and I hope I can often go to the beach to play in the future.
