There are many types of TV programs. Some people like knowledge-based programs, some people like adventure videos, and my favorite TV program is the cartoon “One Piece”.

I really like the cartoon “One Piece”. Everyone will be amazed and say “Wow!” when taking a look at my room. You can see lots of “One Piece” ornaments, posters, music, etc. My bag and pencil case are hanged with ornaments, the walls are covered with a variety of posters, and the shelves are filled with CDs, which shows how fascinated I am for One Piece.
