The princess had more power and influence than anyone who had ever before been interested in such a case. She had done what no other person had done. She had possessed herself of the secret of the doors. She knew behind which door stood the tiger, and behind which waited the lady. Wealth, and the power of a woman's will, had brought the secret to the princess. She also knew who the lady was. The lady was one of the loveliest in the kingdom. Now and then the princess had seen her looking at and talking to the young man.
