上週四，我們上了一堂有趣的美術課。當老師走進教室，她立刻踮起腳尖，雙手擺動揮舞，「你們看，這像什麼？」同學們看到老師突然這般表演都哈哈大笑，過了一會才一齊回答：「小鳥。」「對，這堂課我們要畫的是小鳥。你們可以用你們的想像力，想像小鳥在藍天是什麼樣子的。」能夠看到老師如此賣力演出，這堂課真是太有趣了！

Last Thursday, we had an interesting art class. When the teacher walked into the classroom, she immediately stood her tiptoes and waved her hands. “Look, what is this like?” The students saw the teacher suddenly act like this and they laughed. After a while, they answered in unison, “Bird.” “Yes, we are going to draw birds in this class. You can use your imagination to imagine what birds look like in the blue sky.” It was so interesting to see the teacher perform so hard!
