跟我所猜想的一樣，公墓管理員告訴我，這裡確實埋葬了一些人。有些流浪漢逝世了，政府就將他們埋葬在這裡，也有些窮人死了，而沒有任何能夠支付喪禮的費用，政府就會幫他們買一口極便宜的棺木，葬在這裡。最近，流浪漢也好，窮人也好，都經過火化，骨灰也是埋在這裡。

It was the same as I guessed. The guard of the graveyard told me that some people were buried here. Some drifters passed away, and then the government buried them here. There were also some poor men dead with no money to pay for the funeral. The government would buy cheap coffins and bury them here. Currently, drifters and poor men alike were cremated, and their ashes were buried here.
