Anita Mui Yim-Fong(梅艷芳) was regarded as the Canto-pop diva, also praised as the Madonna of the East. To earn a living, she started her singing career around the age four and became a superstar in 1980s. Mui received numerous awards in both singing and acting; moreover, she won the Golden Horse Award for Best Actress with the movie “Rouge(胭脂扣)” in 1987. However, her career and life ended at her age of 40 in 2003 because of cancer. Eighteen years after her death, the biopic “Anita” will come out on Nov. 12 in Taiwan.
