My mother is always busy. During the day, she sits in front of the computer and writes stories for children. Mom always says that writing is the most important thing in her life. She enjoys it a lot and also gets pay for her writing. That makes her happy because she has three daughters to bring up. Mom always tries to finish her writing before we get back in the evening. By doing so, she has more time to be with us. Mom loves talking and reading with us, but she hates cooking and cleaning. So we have learned how to do housework since we were very young. Mom is always busy writing and taking care of us, but she is always smiling. To me, my mother is the most beautiful woman in the world.
