John 夫婦是我的研究所同學，既然他們都還是學生，收入也就不多，可是他們的家卻佈置地舒適極了，他們會買便宜貨，收集了不少陶瓷娃娃，例如彈琴的小男孩、拿著傘的小女孩、一群正在和狗兒們玩的小孩子...等，滿屋子都是這類的擺設，我每次拜訪他們，都會把玩這些陶瓷娃娃。

### 1140217 高中職生中翻英短文翻譯參考答案

John and his wife were my classmates in the graduate school. Since both of them were students, they didn't earn a lot. However, their home was decorated comfortably. They would buy bargains and collect several porcelain dolls, such as a little boy plaything the piano, a little girl bringing an umbrella, a group of kids playing with dogs, and so on. The house was filled with these kinds of decorations. Each time I visited them, I would play these porcelain dolls.
