We all wish to be happy, so we should take good care of our health. Most patients seldom feel happy because of their losing health. Health is the best treasure a man can possess. Money can do many things, but it cannot buy happiness. However, so long as a person is healthy, he / she can enjoy the pleasures of human life. In order to insure good health, we must pay attention to several things, such as nourishing food, proper exercise, and the most important thing-keep in good mood.
