It is harmful to our health if we work without rest. So, we can try some pastimes to relax after work. Undoubtedly, there are many types of pastimes, such as playing balls, collecting stamps, fishing, gardening, ice skating, and so on. I like gardening very much. Whenever I have leisure, I like to plant some flowers. I regard them as my best companions. We can kill the time by doing some pastimes and also can make friends. What kind of pastimes do you like?
